

3. Vehicle Operation, Maximum Speeds

a) No person shall operate a vehicle on a street or highway at a speed that is in excess of the speed limit posted on such road or highway by means of official traffic control devices.

b) No person shall operate a vehicle on a road or street at a speed that is greater than reasonable and prudent under the conditions.

c) Unless otherwise posted, the maximum speed limit for all roads or streets in the Town of Boswell (an urban district) is thirty (30) miles per hour.

d) The Town may post signs indicating such speed limits on those roads or streets not otherwise maintained by the State of Indiana and as consistent with the provision of I.C. 9-4-1-58 and an amendments thereto.

e) Upon the completion of a traffic and engineering investigation, the Town may post speed limits signs consistent with I.C. 9-4-1-58 and any amendments thereto.

4. The municipal code is hereby amended to include this ordinance as code section, 1958-1.

5. This ordinance shall be effective upon passage and publication in accordance with I.C. 5-3-1. All ordinances or
